Welcome To Sharjah Museums

Sharjah Museums Authority (SMA previously SMD) was established in 2006 by His Highness Sheikh Dr. Sultan bin Mohammed Al Qasimi, Supreme Council Member and Ruler of Sharjah. SMA manages 16 museums in the emirate, covering arts, Islamic culture, archaeology, heritage, science, marine life and the history of Sharjah and the region.

Accessibility Programmes & Services

Our museums' visitors can enjoy our special programmes that meet the needs, requirements and standards of special education centers. All our workshops are designed to suit the needs of people with different disabilities.

Programmes Details

- All workshops are designed for people with different disabilities (people of determination) and people who need special services and care
- All workshops are offered free of charge in both Arabic and English
- Programmes should be booked three weeks prior to your visit through www.SharjahMuseums.ae
- All educational programmes start at 10:00 am and end at 12:00 pm
- Kindly, specify the type of disability and cognitive age in the booking form to provide the suitable activities and materials
- All workshops are limited to 15 attendees (including caregivers) except for workshops that are designed for people with visual disability and autism; they are limited to 6 attendees to ensure high quality
- Kids should not be left without caregivers in galleries or workshops' areas
- For more information, please contact the education specialist of Accessibility Services and Programmes Section through +971569972968 or Accessibility@sma.gov.ae

Programmes for People with Cognitive Disability 7-14 years old

Printmaking

Sharjah Art Museum

Be an artist and experience all printmaking steps, starting from designing, carving and ending with printing. Design your own patterns that reflect your personality.

The Little Farmer

Sharjah Archaeology Museum

Experience the life of the farmer and learn about different crops and agricultural tools used in the Iron Age. Plant your tree and take care of it!

Traditional mixes

Sharjah Heritage Museum

Awaken your senses to identify the most important natural ingredients that were used in past for garnishment.

My Classic Car

Sharjah Classic Cars Museum

Indulge in the world of classic cars and discover their various types. Learn how to recycle the car plate to have a beautiful masterpiece to decorate your room.

Programmes for people with Hearing Disability Intermediate level & Secondary level

A boat of wicker

Sharjah Maritime Museum

Join our fun journey to Sharjah Maritime Museum and learn closely about various boats. Create your preferred one using wicker.

Potteries Restoration

Sharjah Archaeology Museum

Learn about pottery restoration principles to restore a potsherd using the excavation tools and methods.

Programmes for Early Intervention and Autism

Excavation

Sharjah Archaeology Museum

Enjoy digging and searching for buried pieces using excavation tools. Develop your tactile system through our sensory activity (playing with sand).

Programmes for People with Different Disabilities 16 years old and above

Incense Trade

Sharjah Archaeology Museum

Experience the life of a merchant and discover the incense trade routes in ancient times. Make your own incense using various aromatic materials.

Rose Water Cream

Sharjah Museum of Islamic Civilization

Muslim chemists discovered rose-water distillation through their various experiments. Learn more about their achievements and create your rose water cream.

Bath Bombs

Sharjah Art Museum

Mix aromatic oils and natural ingredients to create bath bombs in wonderful shapes, refreshing scents and bright colours inspired by our abstract masterpieces.

Al Mek'hala

Sharjah Fort (Al Hisn)

Join us and learn about Al Mek'hala, a tool used to preserve the eye liner, to create later your own one!

Al Dhajis 90 16m

Arabic text panels, likely describing the historical significance of the structures shown in the images above.
